- drugstores
- sports/camping stores
- big box stores
- little box stores

**community partners**

Working with other community service groups may be of vital importance. In some cases, there can be beneficial long-term relationships; in other cases, much-needed help during a disaster. It may be that something as simple as a parking lot or working electricity could make an enormous difference for you. What community groups are based near you, and how might you be able to help each other?
